BRUCE CHELUCCI

DIRECTOR OF INSTRUCTION
CALL OR TEXT (609) 703-4658

"Golf is a game that is played outdoors, cohesive with nature, and one that mirrors life in personality and ethics. Over the years, the Academy has helped our students to develop their character and friendships, as well as to develop a healthy sense of competition. Our mission is to encourage individuals to come out of their homes to play a game that will not only exercise their body and minds, but will also provide them with a lifetime of enjoyment."
